- Custom units made to your requirements.
- 5 year warranty on all tanks.

RAPIDSpray HAS AUSTRALIA'S LARGEST RANGE OF WATER CARTAGE TANKS AND WE RECOMMEND THE EXCLUSIVE BALL BAFFLE® LOAD STABILITY SYSTEM WHEN CARTING LIQUID.

INCREASED SAFETY FOR LIQUID CARTAGE

All Flood-Rite dust suppression systems over 7,000 litres in capacity come equipped with RapidSpray's exclusive Ball Baffle® load stability system that reduces fluid movement for improved vehicle stability during transit. See page 3 of this catalogue for more information on the Ball Baffle® System or visit www.floodrite.com.au
